

How to Locate AmeriHealth Providers

1. Log onto www.ahatpa.com (AmeriHealth Administrators shown in left corner)
2. At the top of the page, click on “**Find A Provider**”.
3. After the page opens, you will see **Network Provider Search**. Click on **AmeriHealth Administrators Network**.
4. This page opens to “Welcome to Provider Finder” and you have the following 3 options to help you find a provider:

Option 1: Search by Provider Type

Option 2: Top Searches

Option 3: Search by Common Concerns

****REMEMBER – Do Not refer to this listing for Behavioral Health Providers, Chiropractic Providers, Dental Providers or Vision Providers.** Call the Fund office directly at 1-800-228-7484 for these services.

5. If you are looking for a type of Doctor, choose “Physician” from the drop down and click “next”.
6. On the next page you have three (3) options to choose from. They are:
 - Option 1:** By specific Doctor name
 - Option 2:** Enter City and State or Zip code (for primary care physician)
 - Option 3:** By Specialty category
7. Once you choose your option, click “next”
8. On the next page, “*Refine your Search*” appears. Here you can enter the distance you are willing to travel and/or gender preference, if appropriate, and click on “*Get your results*”.

Provider Finder- Providers will list according to distance. If you would like to view more information on providers click on **affiliation, credentials, or other information** at the top of the list.

You can also create a personalized directory of providers. To do so, click on “**Create Personalized Directory**” and you can download a directory that you can save or print for your convenience.

If you are not comfortable with using a computer or do not have one available to you, you may call **1-800-445-4755** and **select option #1** for help locating AmeriHealth participating providers.
